INCLUDING THE MTA SCHOLARSHIP
ACEC New York awards 17 scholarships to engineering students

NEW YORK, NY Seventeen high-achieving engineering students attending New York State colleges and universities will receive $45,000 collectively in scholarship money from the American Council of Engineering Companies of New York (ACEC New York). The awards are granted based on the students' cumulative grade-point average, college activities, work experience and an essay on consulting engineering. Including this year's recipients, ACEC New York has awarded 131 scholarships totaling $355,500 since the program's inception in 2002.

In addition to 16 named scholarships in the amount of $2,500 each, ACEC New York awarded a $5,000 scholarship in the name of the MTA in recognition of the authority's achievements and pursuit of excellence in design.
